

Community Group Leader Covenant

- I will make my Community Group meetings a priority, and encourage members to do the same.
- I will come to my Community Group meeting prepared to lead and participate in studying the Bible.
- I will maintain confidentiality of the personal information that is shared within my group, and establish an atmosphere of trust.
- I will foster accountability in the group concerning the personal and spiritual growth of the members and myself.
- I will commit to be open to new members and to have multiplication as a stated goal from the onset of our meetings.
- I will try to identify potential future leaders in my group to implement the goal of multiplication.
- I will pray for my Community Group members to Encounter, Grow, and Serve as we follow the Disciple-Making Plan together.
- I will encourage other members to cultivate daily time with God.
- I will remain committed to WPCC and submit to the leadership of the elders and pastors.
- I will engage in communication with the members of my Community Group, and with the Community Groups Ministry Leader (John Leblanc).
- I understand that the pastors and elders of WPCC have committed to pray for and support me.
